RE: Jurisdiction of Case and Permission to Amend
Case; Case NO. 06-129-KAJ

4-30-06
Dear Honorable Kent A. Jordan,

I am writing to you because I have written to the Clerk about never receiving Magistrate Consent Form because I do not wish to have my Case heard in Magistrate Court. I wish to have a Jury Trial in front of a District Court Judge.

I would also like to respectfully request if Your Honor may please grant me permission to amend the above Complaint by adding a Defendant and seeking further relief. Thank you in advance for taking the time to read and consider this letter.
